---

I beg to invite your kind attention to my petition dated 11-10-1954 on the above subject and to request the favour of early favourable orders.

2. I beg to state that I was retired from service on 1-5-1951 and till today I have not received my Pension Payment Order and arrears of my increment worked out on the scale of Madras Rules applicable to my case as I was the permanent incumbent of former Government of Sandur in its Forest Department, which was first taken over by the Madras Forest Department on 1-9-1949. I put detailed representations to your goodself in my petition of the 11th October 1954 cited above and till today I have not received orders thereon.

3. I am not even getting anticipatory pension. This has caused me a great hardship. I am become old and am depending on pension for my subsistance.

4. I request that your goodself will be pleased to consider my case sympathetically and favour me with early orders, sanctioning my arrears of salary due on the basis of increments as per Madras scale of pay and Pension Payment Order, for which I shall be grateful.
